WG 72 and SC-216 Plenary Day 1, 04-07-2022:

- This plenary was held by Webex to discuss progress of working groups and overall schedule.
- David Pierce (DP) opened the meeting, greeted participants, and facilitated the introduction of participants.
- KH and AG went through the RTCA and EUROCAE plenary meeting mandatory slides including the RTCA and EUROCAE anti-trust, IPR, GDPR, participation and membership policies.
- DP presented the agenda and went over SC-216 and WG72 leadership introduction slides.
- Cyrille Rosay announced that Angeliki Karakoliou has been selected as the next WG-72 secretary.
- Meeting minutes from the January 2022 Plenary Session were accepted
- Jerry Hancock (JH) presented ED205A comments resolution summary status.
- Jerry discussed new EASA ATM side comments and resolutions.
- Kristof Lamont (KL) followed with a request for consensus vote for publication of ED205A/DO393
- DP explained the consensus process and asked for participants vote
- Votes were counted and recorded as 27 votes out of 33 participants approved publication.

- Consensus for publication was reached
- CR and KL thanked everyone that contributed to the development of the ED205A/DO393 document.
- DP asked the SG to complete any required editing and provide it to Anna.
- Karan Hofmann (KH) added that she will get the document from Anna
- PMC presentation will be on the 23rd of June. Comments and resolutions will need to be provided to PMC
- DP presented SG3 org introduction chart and the agenda
- Alain Combes (AC) provided an overview of the progress on resolving open comments for ED206/DO392. Status was provided and Alain went through remaining open comments and proposed resolutions. There was a detailed discussion surrounding Table 5-1, Reportability table.
- DP presented CVSS proposal
- End of day one

WG 72 and SC-216 Plenary Day 2, 04-08-2022:
Subgroup 3 - ED-206/DO-392 continued-

- DP announced planned activities for the day
- Remaining comments and proposed resolutions for ED-206/DO-392 were discussed.
- In discussing comment #681, DP reminded the group that we have previously decided that only the objectives are normative material.
- Added objective O3.12.
- Stefan Schwindt (SS) presented a proposal about primary assets. Proposal was accepted.
- Comments #551 and #552 were handled by the CVSS proposal
- DP followed with a request for consensus vote for publication of ED-206/DO-392
- Votes were counted and recorded as 26 votes out of 33 participants approved publication. Consensus for publication was reached
- DP thanked everyone that contributed to the development of the ED-206/DO-392 document.
- Siobvan and Stefan provided an update on other groups activities.
- Varun Khanna (VK) provided FAA regulatory update – No new items. Rule making process moving slow. Same status as before. Emphasis on data storage security
- CR provided EASA regulatory update - No new items. Still working on priority one objectives in part IS.
- Romuald Salgues provided status from WG 112 (VTOL). No FAA participation in the group.
- Future work plan presented include:
 - Guidance on supply chain security
 - Aviation SMS standard
 - Security change impact analysis guidance
 - Patch management
- VK suggested the addition of data load distribution issue to the list of future work plan
- DP suggested that a subgroup should investigate potential and get an agreement
- Claudio H suggested that SG1 engage with VTOL
- DP presented schedule for next virtual meeting planned for May 23rd and a following in person meeting on October 17-21 at EUROCAE.

Close Plenary
