In person meeting information:

Venue:

Collins Aerospace

2551 Riva Road Annapolis MD

The RTCA event will be held in **Bldg. 4** on the Collins campus. There is a guard's desk at the front entrance of this building when you come in every day and we will get everyone signed in with their visitor badges.

Guests are free to park anywhere except the reserved and handicap spots of bldg. 4, 5 & 6 but since much of the company still works remote or a hybrid type schedule there will be ample parking in the bldg. 4 parking lot where we will meet every day.

Please see below for map locations.

A list of hotels and restaurants near the Collins campus for the guests will be provided. The Collins campus is considered uptown Annapolis and more in the business district with several hotels and some close enough where you could walk to the campus every day. The downtown Annapolis area is much more scenic and the real star of Annapolis on or near the waterfront with many hotels and restaurant options to choose from and about a 5 mile/15 minute car ride from the campus (traffic is always a bit thick getting to and from downtown).

Meeting in-person participation requirements:

In-person participants need to register by **12 October 2023 CoB** by e-mail to alexander.engel@eurocontrol.int.

Alex will need the following information for each guest who is expected to attend in person at the Annapolis location.

- Name (First and Last)
- Company of employment
- Country of citizenship
- Passport number (if not a US citizen)

This information allows John Christian of Collins to get everyone security cleared to be in the building as our guest every day of the event.
