AGENDA

Monday May 6, 2024 – Wednesday May 8, 2024, Starting 8 AM (Local Time) – Working Sessions

On Monday, the full group will be available to discuss working meeting plans for the week. Working meetings will start each day at 8am MT.

Note: WG#3 has working meetings each day and welcomes participation from WG#1 and WG#2 members.

Note: As of March 20, currently there is not a reason for WG#1 and WG#2 to meet separately about the MASPS and MOPS on Monday – Wednesday, but there’s a risk that will change, pending availability of the draft, updated MASPS and MOPS.

- WG#1 and WG2 members are encouraged to attend on these days to support WG#3.
- To arrive “early” for WG#3 would enable participating in-person for any separate discussions that might become necessary for WG#1-2.
